MARIMEKKO CONCEPT STORE WASHINGTON DC

Marimekko Design

Design inspired by beauty in everyday life.

Since its inception in 1951, Marimekko® has brought the talent and vision of innovative designers into living and work spaces worldwide. Marimekko's ability to mix the work of its pioneer designers with that of younger designers who respect the past but have a vision of what the brand can become imbues its designs with a timeless yet innovative quality. Manufactured in Europe with high environmental and social standards, the Marimekko® brand ensures quality.

Concept Store

The Washington DC Marimekko® Concept Store is stocked with Marimekko® of Finland continuing classics as well as seasonal collections for men, women, and children. The store features well over 150 Marimekko® trademark fabrics in addition to a comprehensive presentation of Marimekko® home furnishings, clothing, bags, and accessories. The store also offers interior custom design services to the design trade, businesses and institutions as well as personal shopping, a gift registry and international shipping.

Custom Design

Overview

Our custom workroom offers a variety of bespoke products for your home or business. Our experienced in-house designers and fabricators will guide you every step of the way choosing from our in-stock fabrics, customizing to your specifications, through final installation.

Our Services Include:

- Large Scale Fabric Wall Hangings
- Upholstered Furniture
- Custom Window Treatments
- Bedding
- Table linens
- Tableware
- Accent Pillows & Lamp shades

Types of Fabrics

We offer a large variety of innovative prints and versatile color ways to suit any space. Our fabrics are 100% cotton and range from batiste to upholstery and PVC coated finishes. Patterns are abstract to figurative, inspired by everyday beauty, whether that be water ripples, graceful foliage or urban street scenes.

Framed Fabric and Wall Hangings

Marimekko fabrics feature many bold and nature inspired patterns that are well suited for large-scale display. Built on sturdy wood frames with batting and fabric backing, our wall hangings are acoustically sound and add visual interest.

Trade Accounts

Marimekko is pleased to offer a jump-start trade account program to design professionals.

The program application may be completed online, at www.marimekko.washingtondc.com. While credentials are being verified, a login, password and coupon code will be granted. Proof of design based business is required. Sorry, but we are not able to offer wholesale discounts or discounts to retail businesses. Discounts are transferable and do not apply to shipping charges.

"For those of us who have been life long fans of Marimekko designers and who are in parts of the country not served by retail outlets, the Internet + You at Marimekko Silver Spring have been a godsend. It's easier than ever before to access the textiles we love. Keep it up!"

Sarah Tate, Architect
